ABOUT Our School

INTRODUCTION

Zenith International School, Is owned and managed by a group of educationist with a passion for education. The School is located in the developed township of Seremban 2 and the school campus is named Zenith International School White House campus as the school is similar in appearance to another world famous building.

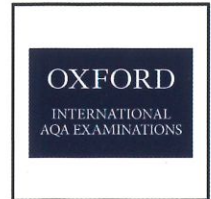

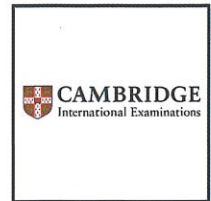

The school which opened its doors in 2012 with a pioneer intake of 100 students, has seen the enrollment at Zenith International School grow in leaps and bounds to a total current enrollment of 500 and more students.

ACCREDITATION

Zenith International School offers the UK education syllabus for our secondary and primary school students. The secondary school students use the world renowned University of Cambridge's IGCSE syllabus. The selection of Zenith International School as an accredited school was achieved after rigorous assessment by the selectors from the University of Cambridge allowing Zenith International School to be a Cambridge International Examination (CIE) exam centre in 2011. CIE has been renamed as Cambridge Assessment International Education or Cambridge International since October 2017.

Cambridge International qualifications are accepted in over 160 countries and is recognized by Universities, Education Providers and employers around the world.

For the primary school students, the school offers the Pearson Edexcel UK and Oxford AQA syllabus after being appointed by Pearson Education UK to be an Approved Centre in 2011 and by Oxford AQA a few years later.

AWARDS & RECOGNITION

With a world class education syllabus being offered at Zenith International School, the school via its dedicated educators has enabled the students enrolled at Zenith International School to achieve world class results as well. Zenith International School has produced numerous high achievement students (Top in the World and Top in Malaysia) in the IGCSE examinations.
